AMERICA: Ride On Tour

The iconic multi-platinum-selling group AMERICA will celebrate their 54th anniversary with a series of tour dates in 2024. Billed as “Ride On Tour 2024,” it launches July 18 in Minneapolis and will continue throughout the year, with many more shows to be added coast to coast. Known for their timeless magic and powerful performances, the Grammy Award-winning perennial classic-rock favorite will draw on their deep catalog of hits including signature song “A Horse With No Name,” a Number One hit on Billboard’s Hot 100 in 1972.

Jessica Kirson

Jessica Kirson is a powerhouse on stage. She’s a hilariously relatable performer of sheer silliness, vulnerability, and ridiculous characters. Her countless comedic character videos have racked up over 200 million views on social media. Her audience is multigenerational, creating an excuse for large groups of friends and families to spend a night out together. In an era where only 10% of all touring comedians are female, Jessica stands out as one of the strongest comedians regardless of gender.
