Founded in 2019, the Atlanta Symphony Orchestra (ASO) Advisory Council provides a space for passionate patrons to support the Orchestra in partnership with the ASO Board and staff. Council members advocate for the ASO at every opportunity, and through thought leadership, ensure the Orchestra continues engaging Atlanta’s diverse communities.

Over the course of the past two seasons, the Council supported the Orchestra by:

• Providing the ASO with valuable insight as the Orchestra successfully navigated the challenges of the pandemic.

• Participating in exciting conversations around the future of the ASO including the appointment of new Music Director, Nathalie Stutzmann.

• Supporting new programs to engage broader audiences with the ASO, including:
  o “IN UNISON,” a new social group for LGBTQ+ patrons;
  o “HBCU Night,” an evening for alumni of historically black colleges and universities; and
  o “UpTempo Teen Nights,” a free classical concert series for middle and high school students, implemented in partnership with local schools and nonprofits.
