About Nikki Glaser

Nikki Glaser is one of the funniest female voices in comedy today. For nearly two decades at clubs across the country, and as the host of three hit podcasts, Nikki has been honing her shockingly honest, no-holds-barred style of comedy. Her daily show, *The Nikki Glaser Podcast*, launched in March 2021 through iHeartMedia and Will Ferrell's Big Money Players Network. It is a daily companion podcast that is peppered with Nikki's sense of humor and honesty to help keep listeners sane, well-informed, and laughing through life. In July of 2022, she headlined her first HBO comedy special, *Good Clean Filth*, which has been nominated for a Critics Choice Award for Best Comedy Special. Nikki is currently on her nationwide and international comedy tour, *The Good Girl Tour*, which kicked off in January 2023.

Nikki is also the host and executive producer of the hit HBO Max reality dating series *FBOY Island*. *FBOY Island* follows three women on a tropical island where they're joined by 24 men – 12 self-proclaimed "Nice Guys" looking for love and 12 self-proclaimed "FBoys," there to compete for cold, hard cash. *The Washington Post* hailed the series as "deliciously twisty" and *TIME* called it a "compelling and clever masterpiece" with "smart execution" noting that, "An advisor to the women and a gentle antagonist to the FBoys, Glaser, a comedian, brings just the right level of self-aware humor." Season one of *FBOY Island* had the biggest premiere weekend for an HBO Max Original reality series since the platform's launch. The second season premiered in July 2022.

About Three Dog Night

Legendary band, Three Dog Night, now in its 5th decade, claims some of the most astonishing statistics in popular music. In the years 1969 through 1974, no other group achieved more top 10 hits, moved more records, or sold more concert tickets than Three Dog Night.

Three Dog Night demonstrates its eclectic song choices once again with the new material being recorded for an upcoming album release. One of the new tracks, "Prayer of the Children" was discovered by Hutton who created an a cappella arrangement, so that for the first time in the history of Three Dog Night, the vocals of all six members of the band are featured. The song is currently part of their live concert set and quickly becoming an audience favorite.

Marking over 50 years on the road, Three Dog Night continues to grow its fan base by keeping up a full schedule of concerts at theatres, performing arts centers, fairs, festivals, corporate events, and casinos. Since 1986, the band has performed nearly 3,000 shows including two Super Bowls.
