About Brad Williams

Pound for pound, Brad Williams is the funniest comedian in the country right now and has become one of the most in-demand comedians working today. Williams started doing stand-up comedy as a teenager and has been touring successfully ever since, routinely selling out prestigious venues all over the country and world.

Williams has parlayed his live performances into a multitude of stand-up television appearances, including *The Tonight Show*, *Dave Attell's Comedy Underground*, and *Jimmy Kimmel Live*. His first one-hour special, *Fun Size*, was the highest rated special on Showtime, and a year later, he followed that up with his second one, *Daddy Issues*, which was even more successful than the first. His third special in three years was an uproarious one, hosting some of the edgiest comedians in the country from the prestigious Montreal Just For Laughs Festival. His last groundbreaking special on Netflix, *The Degenerates*, garnered more huge ratings and rave reviews.

This show is presented by Delta Atlanta Symphony Hall LIVE and Emporium Presents and will take place at Atlanta Symphony Hall on May 30, 2025, at 7:00PM.
