#### **About Brian Culbertson: Day Trip Tour**

Over the course of crafting a 29-album catalog and architecting 40 Billboard #1 singles as a keyboardist, songwriter and producer, Brian Culbertson has charted his own unique course in music. Label him jazz and he makes a funk record. Call him an R&B artist and he drops an acoustic jazz trio collection. Brand him pop and he creates a 32-minute New Age opus. And you'd be hard pressed to name another instrumentalist of his ilk who can mount an elaborately designed concert production that will keep him on the road for three consecutive months.

"It instantly brought me back to the days of 'no rules' and the pure joy of music, something that I think a lot of albums today are lacking. With that said, I set out to write and produce a new album that would try to capture a little bit of that late 70's and early 80's spirit of music exploration, along with using only live musicians and real instruments. Similar in style to *Another Long Night Out*, *Day Trip* is the daytime version!" said Culbertson.

Whether you're listening to music from *Day Trip* on record or live in concert, you're hearing an eclectic, entertaining and engaging set from an artist at the peak of his power.

**Brian Culbertson: Day Trip Tour is presented by Delta Atlanta Symphony Hall LIVE and Rival Entertainment and will take place at Symphony Hall on Wednesday, October 29, 2025 at 7:30PM.**
