About Gipsy Kings featuring Nicolas Reyes
Nicolas Reyes has been the leader and co-founder of the Gipsy Kings for well over 30 years. In the past three decades, they have dominated the World Music charts and sold more than 14 million albums worldwide. Their platinum compilation, *The Best of the Gipsy Kings*, was charting for over a year upon its release, and their ninth studio album, *Savor Flamenco*, was awarded the GRAMMY® for Best World Music Album in 2013.

This iconic legacy began when Nicolas' father, Jose Reyes, formed a celebrated flamenco duo with Manitas de Plata (which boasted fans as famed as Miles Davis and Pablo Picasso). When the pair parted ways, the elder Reyes became even more popular upon starting his own band, backed by his son, called Los Reyes. In later years, Nicolas headed out on his own and began playing in the town of Arles in the south of France. He traveled throughout the country, busking on the streets of Saint-Tropez, playing wherever he could. Having adopted the perpetual motion of the gypsy lifestyle, his band eventually translated "Los Reyes" and became the Gipsy Kings.

The band's music went on to fuse with popular culture. In addition to the accolades above, the traveling Gipsy Kings have played some of the world's greatest stages, from the Hollywood Bowl to Royal Albert Hall as well as hitting the big screen. Their rendition of "Hotel California" was included in the film *The Big Lebowski* and the HBO series "Entourage". The 2010 film *Toy Story 3* featured a Gipsy Kings version of the movie's popular, Randy Newman-penned theme, "You've Got a Friend in Me". The Gipsy Kings recently featured in a *Big Lebowski* spinoff *The Jesus Rolls* with Reyes appearing in person with the director and star, John Turturro, for some of the promotion.

30 years is an eternity in pop music but the story of the Gipsy Kings featuring Nicolas Reyes has the depth to endure. Theirs is a music that extends through generations, to the sounds of their ancestors—Spanish Romani people who fled the Catalonia region during the Spanish Civil War—and reflects the vibrantly eclectic and peripatetic history of the gitanos.

Gipsy Kings featuring Nicolas Reyes is presented by Delta Atlanta Symphony Hall LIVE and will take place at Atlanta Symphony Hall on Tuesday, February 2, 2027 at 7:30pm. Tickets go on sale this Friday, November 6 at 10am at ticketmaster.com.

About Warren Haynes: Dreams & Songs Symphonic Experience with the ASO

GRAMMY® Award-winning vocalist, songwriter, guitar legend, producer, and Gov't Mule frontman Warren Haynes has announced new 2027 spring tour dates for his Dreams and Songs Symphonic Experience. The one-of-a-kind, acclaimed live show will be stopping in Atlanta on March 7, 2027 and will be conducted by Rich Daniels of Chicago's City Lights Orchestra, leading Warren and his all-star band alongside the Atlanta Symphony Orchestra. The Warren Haynes Dreams & Songs Symphonic Experience showcases all aspects of Haynes' incredible catalog and decades-long career with music from Gov't Mule, Allman Brothers Band, The Dead, his solo albums, and more, reimagined with bold orchestral arrangements as highlighted on his breathtaking new live album, *Dreams & Songs: A Symphonic Journey*, just released in September.

Dreams & Songs: A Symphonic Journey, released September 18th via Evil Teen Records in the U.S. and Provogue/Artone Label Group in Europe, showcases the 2019 live debut of the Dreams and Songs Symphonic Experience live show. Recorded over two nights at the Thomas Wolfe Auditorium in Warren's hometown of Asheville, North Carolina, the album beautifully captures the thrilling collision between his lineup of seasoned rock 'n' roll improvisers – Oteil Burbridge on bass, John Medeski on organ and keys, Jeff Sipe on drums, Greg Osby on saxophone, and Edwin McCain and Jasmine Muhammad on background vocals – and the 64-piece Asheville Symphony Orchestra, all led by Daniels. The expansive 16-track collection was co-produced by Don Was (The Rolling Stones, Bob Dylan, Bonnie Raitt) and Haynes and mixed by the legendary Bob Clearmountain (David Bowie, Bruce Springsteen, The Rolling Stones).

"I'm not a fan of just marrying a symphony with rock music for the sake of doing it," shares Haynes. "I wanted this record to reflect what I've been up to these last 30-odd years but in a way that's completely unique. I had a lot of material to choose from, but, in my opinion, most of the songs wouldn't make sense with a symphony. So, we tried to choose the right songs then the right arranger for each one. Part of the beauty of this project is experiencing these songs in a completely different way. This was a once-in-a-lifetime experience and I'm so happy with it. Not only is it a great snapshot of those two shows in Asheville, I think, in some ways, Bob Clearmountain's mix takes it beyond that."

Visionary GRAMMY® Award-winning artist Warren Haynes is a cornerstone of the American music landscape, lauded as one of the most formidable guitarists and vocalists of the modern era and a prolific songwriter and producer. He effortlessly cross-pollinates genres and unfurls solos that broil with passion in his distinctive, signature style. Throughout his prolific career as part of three of the greatest live groups in rock history – Allman Brothers Band, Gov't Mule and the Dead – and an acclaimed solo artist, he has become one of music's most treasured storytellers and his artistry has led to thousands of memorable performances and millions of album and track sales.

Warren Haynes: Dreams & Songs Symphonic Experience with the ASO is presented by Delta Atlanta Symphony Hall LIVE. This performance will be conducted by Rich Daniels and will take place at Atlanta Symphony Hall on Sunday, March 7, 2027 at 7:30pm. Tickets go on sale this Friday, November 6, at 12pm at ticketmaster.com.
