About Herb Alpert & The Tijuana Brass & Other Delights

This show will be an evening with Herb Alpert and his brand new Tijuana Brass. Herb along with his 6 great musicians will be playing all of your favorite TJB hit songs just as you remember hearing them while growing up. Herb and the band will be performing many of those great songs in addition to many other hit songs that we all know; “The Lonely Bull”, “Spanish Flea”, “Taste of Honey”, “Mexican Shuffle”, “Tijuana Taxi”, “This Guy’s In Love With You”, “What Now My Love”, “Zorba the Greek”, “Ladyfingers”, “Rise” and many other delights.

The show runs 90 minutes and is informal as Herb loves to answer questions from the audience about his career, A&M Records and the many iconic artists like Sergio Mendes & Brasil 66, The Carpenters and Burt Bacharach that he has worked with over the past 63 years. The show features a giant video screen that displays hundreds of classic photos, videos, art and various memorabilia from Herb’s music career.

A legendary trumpet player, Herb Alpert’s extraordinary musicianship has earned him five #1 hits, nine GRAMMY® Awards, fifteen Gold albums, fourteen Platinum albums, and he has sold over 72 million records worldwide. Herb Alpert & The Tijuana Brass propelled his sound into the pop music limelight, at one point outselling The Beatles two to one.

Herb Alpert & The Tijuana Brass & Other Delights is presented by Delta Atlanta Symphony Hall LIVE and Live Nation and will take place at Atlanta Symphony Hall on Monday, March 15, 2027 at 7:00pm.

About Jimmy Carr: Killing Jokes

Jimmy Carr is bringing his new tour Killing Jokes to Atlanta Symphony Hall on October 10, 2027.

In comedy, 'killing' is a good thing. Everywhere else, it's frowned upon. Jimmy has confirmed kills in over 50 countries and on 13 specials. Eyewitnesses describe it as 'a brutal, hilarious, life affirming night out'. The brand-new show is packed with fast, dark one-liners about all kinds of terrible things. But they are just jokes. They're not the terrible things. Jokes are like magnets. They attract some people and repel others. You can joke about anything, but not with anyone.

If you're attracted to Jimmy's brand of comedy and think you can take the jokes, then by all means come out and play. If you think you'd be offended, then stay away. At this point, being offended at a Jimmy Carr show is like buying a ticket to a horror movie and complaining you got scared. Don't be a dummy.

Jimmy Carr is an award-winning comedian, writer, television host and one of the biggest names in comedy. Jimmy performs stand-up to sell-out crowds across the globe, bringing his shows to venues in over 50 countries. His tour show, Terribly Funny, sold well over 1.2 million tickets globally, including in the US, Europe, Asia, Australia, New Zealand and South Africa, making it the biggest ever international stand-up comedy tour. His most recent tour, Jimmy Carr: Laughs Funny surpassed that total and marked the first time this record-breaking comedian toured in arenas in the UK and Ireland.

Jimmy Carr: Killing Jokes is presented by Delta Atlanta Symphony Hall LIVE and Chambers Touring and will take place at Atlanta Symphony Hall on Sunday, October 10, 2027 at 7:00pm.
